

## Trouble With Mitch (A Sexy, Humorous, Paranormal Romance) (Book #3 - Tomb Raider Trouble)

Wishes can be dangerous...and sexy. Caught in the crossfire of struggle to obtain the Stone of Azhi, Mitch West is inadvertently trapped in a bottle, destined to remain trapped until a woman frees him, only to bind him to her for any wish she might have. Overprotected rich girl, Amira Nassiri, receives the gift of an ancient bottle from a museum curator, she doesn't know what she has until she unleashes the magic inside. Unfortunately the magic is former-lover and skip-out, Mitch West. Not anxious to travel down the path to heartache again, all she wants is for Mitch to disappear. When men attack her to get to the bottle, Amira is forced to rely on Mitch's help. The path leads to more adventure than one poor-little-rich girl can wish for. With Amira's help, Mitch reunites with his friends Harry and Will to lay the Stone of Azhi to rest with its rightful owner, the long dead Princess Vashti. Warning: A naked genie, hot sex, and a hotter trip to hell. Get ready for the ride of your life!
