

## Allegiance of Honor (Psy/Changeling)

The Psy/Changeling world has undergone a staggering transformation and now stands at a crossroads. The Trinity Accord promises a new era of cooperation between disparate races and groups. It is a beacon of hope held together by many hands: old enemies, new allies, and wary loners. But a century of distrust and suspicion can't be so easily forgotten and threatens to shatter Trinity from within at any moment. As rival members vie for dominance, chaos and evil gather in the shadows and a kidnapped woman's cry for help washes up in San Francisco, while the Consortium turns its murderous gaze toward a child who is the embodiment of change, of love, of piercing hope: a child who is both Psy and Changeling. To find the lost, protect the vulnerable-and save Trinity-no one can stand alone. This is a time of loyalty across divisions, of bonds woven into the heart and the soul, of heroes known and unknown standing back to back and holding the line. But is an allegiance of honor even possible with traitors lurking in their midst?
