

In A Heartbeat (The Shameful Regret Series) (Volume 1)

For the past eight years I havent been living, just ... Existing. The pain, the guilt, and the shame I carry have been locked away deep inside me for so long that its impenetrable, until him. Until Connor Reeves. With a sexy smile and seductive eyes, the bad boy rocker walked right into my life without warning, and now the walls I built that hid all of my grief for so long are now crumbling at my feet. Now I am left wondering if its possible that just as life can cause pain, it can also heal wounds in a heartbeat.
