

# 15 Step easy and simple Messianic Passover Guide

It is a small and easy 26-page A5 Booklet that takes you through the 15 steps of the Messianic Pesach Seder. It is so well laid out so that every Participant of the Seder can follow the proceedings and share in the excitement. Why this booklet is better than any other guide (Haggadah): It gives the procedure of what exactly must be done by the Host, each Table Leader, and each Participant for each of the 15 steps. These three groups activities flow easy and simple throughout the proceeding without confusion of what is happening now. The significance of the 15 steps are explained, and why YHWH specifically instructed 15 steps. 15 is a remarkable number and this is explained in this booklet. The booklet makes everybody involved which makes it fun and exciting. The Derash (Spiritual meaning) of each of the 15 steps are explained after each step connecting the Israelite Exodus from Egypt, Yshua's atonement work on the cross, and the spiritual implication for us today, is laid out beautifully. It also shows and explains to the Participant how YHWH's plan of redemption is encoded in the 15 steps. Each household can have one, and even the person not knowing what to do can easily lead a family through the Seder by simply reading the easy steps. It is cheap and every Participant can be given a booklet. It can be stored and used for the next year. The researcher has read many other Haggadahs, but has yet found one that is as exciting and to the point as this one!!! Brace yourself, this booklet will challenge you! We inform, you choose
