

Omega Sacrifice: Gay Paranormal Romance (Fated and Dominated Book 7)

Shifter lore says that an offering must be made to Fate in times of great struggle. Tuomo doesn't argue when he is chosen for the sacrifice. For an omega like him, loyalty to his clan comes before anything else. His acceptance only lasts until he spots Haskel. It's clear that the striking alpha is Tuomo's fated mate. Suddenly the omega can't stop wondering about what he could do with his life if he wasn't being sacrificed. Be with his mate... fall in love... have pups... Haskel has never been one to pay attention to the rules. There's no proof behind the legends, and even if there was, he doesn't want the sacrifice to be his mate. But will he be able to convince Tuomo that his life is worth living? And if he does, will he be able to get Tuomo away from the clan that wants him dead? Omega Sacrifice is a steamy paranormal novella featuring gay shifters and male pregnancy. Stands alone with HEA and no cliffhangers!
