

After a murder case threatens her safety, attorney Brooke Benton seeks sanctuary in the quiet Amish community of Maplecreek. Although the locals disagree with her worldly ways, she soon manages to find a place in their lives. But when a tragic hit-and-run accident turns fatal, Brooke cannot abide by the community's belief in absolute forgiveness. She wants answers. Daniel Brand left his childhood home to explore the outside world years ago. Now he has returned to his Amish roots, and worldly Brooke Benton does not fit into his plans. But when his niece dies, he slowly agrees that they must bring to justice the driver who killed her -- especially when a silent presence continues to threaten the community. Together, Brooke and Daniel begin a journey along a dark road, hoping to bring peace to the small community ...and maybe lead their hearts home.
