

## The Lunatic Cafe (Anita Blake Vampire Hunter)

You dont volunteer for slugfests with vampires. It shortens your life expectancy. And you dont fall in love with a werewolf. It interferes with your work. Especially when youre a preternatural expert, like me. My name is Anita Blake. My business brings me up close and personal with all shapes and sizes of monsters. And not all of them want to kill me. Take, for instance, the local pack of lycanthrops - theyre werewolves to you. A number of them are missing, and theyve come to me for help. Maybe because Im dating the leader of the pack. Ive survived a lot - from jealous vampires to killer zombies - but this love thing may kill me yet.
