

Stick Shift (Bad Boys of Racing, Book One)

Cam Carter is young, hot, and cocky as hell. He's loved by some, respected by few, and hated by more. He'll do anything to win the next race, the championship, or the heart of the girl. Lily is unlike any other challenge Cam has faced. Quiet, full-figured, and several years older, she's trying everything she can to resist the pull of this bad boy of racing. Can they find a way to cross the finish line and take the checkered flag together? Or will obstacles, both inside and out, push against them until they crash and burn? Revised, with expanded scenes.
