

Pen Point

Tambria is a beautiful, intelligent, sexy woman in her 30s. She's responsible, has a degree in accounting and avoids drama at all costs. So how does she deal when she finds her husband having playtime with a male co-worker? A cross-country move seems like the perfect plan. Rometown, Colorado has the perfect solution. Her best friend from college is there with an immediate job offer to join the family firm. Things just seem to be falling into place when Tambria is given an amazing opportunity to work with one of the wealthiest CEOs in the country. Not only is he wealthy, but he can melt panties right off your ass with just his presence.

Tambria refuses to join the flocks of women that fall all over themselves to catch Evans' attention. Yes, he can be distracting. Especially when he looks at her like he's ready to throw her up against the nearest wall and do things to her body that she's never experienced before. She's determined to stay focused on her career and adjusting to being a single woman again. Can she handle the job and keep her heart and underwear in tact?

The PenPoint OS was a product of GO Corporation and was one of the earliest operating systems written specifically for graphical tablets and personal digital - 16 sec - Uploaded by JetPensShop it here: <http://2IZkzxF> The No. 513EF Globe nib features an extra fine bowl - 18 min - Uploaded by PHLEARNI Guarantee I Can Teach You to Master Photoshop.
