

Pieces of You & Me

This is a story about first love, hate and agony. Olivia Taylor's life turned upside down when she found out her mother was moving into her boyfriend's home. The glitch? The boyfriend had a son named Greyson, the guy she loathed more than anything. Greyson Edwards was your typical arrogant self-entitled jerk. He loved to taunt and tease Olivia. But the more time they got to spend together, the more complicated things became. Will these two stubborn folks ever figure things out? Will they let themselves feel what was truly boiling underneath the angst and unveil the passion that's only a mere kiss away?
