

Polar Bond (Emerald City Shifters Book 2)

In Seattle for her best friends wedding, curvy Grace is immediately attracted to the best man, Kingston Meade. Hes equally interested in her, especially since his bear insists she is their mate. The attraction is undeniable, but she still doesnt know hes a polar bear shifter. Theres also the added problem of leucistic panther-shifter Ashley, who is determined to get her claws into Kingston, and shes willing to slash Grace out of his life to do it. A standalone novella with no cliffhangers. This book features the wedding of Rafe and Breanna from Bearly Breathing, but both titles may be read independently.
