Spending Christmas Eve with her handsome boss in a cabin while a stalker threatens is not the way Holly Vance had planned to celebrate this year - she'd been counting on dinner with her extended family. But being trapped with Jake Montgomery, the FBI's local computer expert, isn't a hardship - she's secretly loved him from the day they met. Still, Jake's overwhelming quest to uncover the connection between tycoon Alistair Barclay, the Diablo crime syndicate and drug cartel La Mano Oscura is overshadowing the joy of the season. Can the most miraculous time of the year turn the cynical crime fighter into a caring Christian man?
