

## The Ranger and the Runaway

When eighteen-year-old Sandy returns to her hometown for the first time since running away from her horrible foster family, she doesn't expect to find herself cornered and accosted by lowlifes outside a seedy bar. A burly, handsome Army Ranger coming to her aid is an even bigger shock, especially when he calmly informs her that she ought to be spanked for being in that part of town, then slips away into the night. Determined to see her rescuer again, Sandy gathers her courage and sneaks onto a nearby military base hoping to find him. Protecting a woman in need is one thing, but Travis certainly can't put up with a silly civilian girl trespassing on an army base just to see him. He starts to send her home with a stern lecture, but when she slaps him across the face and then makes a run for it, he decides it is time to teach this feisty girl a lesson she'll never forget. Within moments after he catches up with her, Sandy's bottom is bare and she is getting the spanking of her life, a punishment which leaves her cheeks blushing, her bottom burning, and her body quivering with desire. Travis doesn't hesitate to give her exactly what she needs, and she soon learns what it means to be taken hard, long, and very thoroughly by a dominant man. Despite his better judgment, Travis cannot help falling for Sandy just as she has fallen for him, and before long their lust for each other is coupled with a passionate love. But when Sandy is kidnapped by a man set on using her to get to him, will Travis defy his commanding officer and take it upon himself to track her down and bring his girl home safe? Publishers Note: The Ranger and the Runaway is an erotic novel that includes spankings, sexual scenes, elements of BDSM, and more. If such material offends you, please don't buy this book.
