

New Revelations: Second Sight Book Two

Life should've been perfect. Kate Edwards had won the heart of police detective Jared Corbett and was coming to terms with her psychic ability. Things were blissful until the day she met Declan Brayden. Declan also has psychic visions and wants to work alongside Kate. Kate doesn't trust the damaged and arrogant seer, but she knows combining their abilities would allow her to help more people. This becomes vital when visions of a missing fitness instructor turn into a race against time to save the girl's life. Mature YA/New Adult Paranormal Romance
