

Celestial Beginnings (Nephilim Series Book 1)

Being a descendant of a fallen angel, nephilim Malachi Starkman, is all about his duty in protecting mankind and preventing Satans army from growing any further. He leads a squad of talented warriors on this quest to preserve humanity, but as leader, he feels every aspect is his responsibility. After centuries of fighting, he is starting to feel burned out, and wondering if this is his sole purpose on Earth. Local teacher, Trinity Bradshaw, has been trying to move on from her turbulent past but it doesnt seem to want to let her go. Therefore, when a deliciously handsome man with alluring eyes says he wants to help her, she cannot say no. So many obstacles stand between the two, but neither of them seem to be able to walk away from the other. Will they find common ground or will she just be a liability in his quest to destroy the one that has plagued him for years? Warning: Contains adult language and mature situations.
