

ReCAP: A NORMAL Novella

Rory and Sam fell in love in **NORMAL**, and we all fell in love right along with them. Now see it all unfold through Sams eyes, and learn just how the new girl with anxiety issues stole the heart of the gorgeous heartthrob, and turned his world upside down. You already heard the story. The one of how Rory and I fell in love, supposedly, even if she couldnt handle it in the end. You know how it all went. Or you think you do. You only know her side. But I have my own point of view, and even Rory couldnt know my thoughts in those few months it took for her to go from being a stranger to my whole entire world. Every moment is permanently ingrained in my memory. In my goddamned soul. From the moment I stumbled upon the girl panicking outside of calculus - the one with the tight little body, the angelic face, and the fierce attitude - to the night she abandoned me in Miami. It was the sum of those moments that changed me irrevocably. Our story isnt over. I wont let it be. But this, this is what happened so far, the way I saw it. Im Cap. Or Sam, to Rory. And this is my story. *ReCAP is Book 1.5 of the Something More series, and is NOT meant to be read as a standalone novella.
