

Recoil (Banjaxed) (Volume 3)

People are like stained - glass windows. They sparkle and shine when the sun is out, but when the darkness sets in, their true beauty is revealed only if there is a light from within. - Elisabeth Kubler-Ross

Life is dark for Steph. After swearing never to be her own worst enemy again, she's forced to battle her demons once more as events in her life push her to the absolute limits of self-preservation. And she needs to do it alone. Pete is back in the place he swore never to return to, all in the name of protecting Steph from the dangers of his past. But are yesterday's ghosts the only threat they face? When true intentions are laid bare, can Steph find the fight within to pull herself out of the darkness? Can Pete close the last doors on his past, or will he realize what is truly important, too late? Their history may shape the people they are today but nobody said it had to define their future
