

To Risk a Heart (It Started in Texas)

Starting over has never been so much fun. Eliza Jane Miller left Caldale, Texas and her sexy jerk of a boss Grady Jenkins with a plana life makeover. Now shes a big city girl with a whole new look and a job she adores. The last thing on her mind is Grady. What she doesnt know could kill her. When Grady sees Eliza Janes name on the suspect list in a money laundering case he has been tapped to investigate, he knows what he must do: Whatever it takes to keep Eliza Jane safe. The last thing Grady expects is his instant attraction to his former friend. The last thing Eliza Jane expects is for Grady to act on the attraction she has felt forever. Starting over might be fun, but sometimes looking back is even better. To Risk a HeartA steamy story of love and danger.
