

Fairy Tale Fail

Ellie Manuel is a hopeless romantic, stuck in a cubicle all day. Shes in her twenties and should be having more fun. But instead of doing what she really wants, like traveling wherever her Philippine passport can take her, shes hung up on the guy who dumped her for not being ambitious enough. Someone should tell her that there are other cool guys -- who probably even eat at the same office cafeteria! -- who would encourage her just to be her fabulous self. FAIRY TALE FAIL won the 2012 Filipino Readers Choice award for Chick Lit.
