

Meet the New Dawn (Savage Destiny Book 6)

In this totally unforgettable sixth book in the Savage Destiny series, a relentless wave of frontier progress forces itself into the lives of Zeke and Abbie Monroe, threatening their many years of abiding love and forcing a separation unlike any other they have experienced. Zeke joins the Cheyenne in their last effort to hold on to the freedom they knew until the white man invaded their pristine domain and destroyed their game, their hunting grounds, their beautiful innocence. Meet the New Dawn is a keenly powerful and poignant story about the last years of Zeke and Abbie Monroes life together, and how their love and their passion for each other lingers on into their twilight years as proof that age and the challenges of life cannot dim the love these two share, a love that causes a man and woman to see each other only as the fifteen-year-old girl who once touched a savage older mans hand over a campfire, a touch that changed both their lives forever. Get out the Kleenex for this powerful read you will never, ever forget!
