

The Price of Candy: A Women Sleuths Mystery Romance (Sandy Reid Mystery Series Book 2)

THE PRICE OF CANDY is the second novel in this popular womensleuthsmysteries series featuring the irrepressible Sandy Reid. Passion makes fools of us all ~When the irrepressible Sandy Reid learns the police have closed the case of an abused body found on the beach for lack of evidence, she feels compelled to discover the identity of the woman, expose what actually happened on that secluded beach that night and catch the perpetrator. The almost-too-clever young law student must confront the prominent Congressman who gave the beautiful hitchhiker a ride to Florida and avoid becoming the second victim, unscramble a related child kidnapping that the mother wont report and clear herself of a murder charge that threatens to destroy her dream of becoming a lawyer. Although she remains uptight with her irresistible detective lover, along the way she is tempted and discovers she has fallen victim to a sensuous passion of her own.
