

## Roman (The Innerworld Affairs Series, Book 6)

Roman Lockes ability to become invisible makes him the perfect Innerworld spy. His new assignment: secretly observe parapsychologist Erin Breswell as she hunts down a power-hungry psychic criminal. But Roman's presence triggers a cat-like heat in Erin, which affects his invisibility control, forcing Roman to reveal himself in full Noronian mating fever. Neither Roman nor Erin desire the lifelong commitment the fever requires, but if they don't take drastic action, neither will survive the coming storm.
