

Roomies

Graham Malone is my roommate, my personal eye candy, the reason I get up in the morning smiling (that could be from the illicit dreams I have about him too, I suppose. Lets move on.). Hes also beautiful to look at, but his heart is where his true beauty lies. Take away the exterior and the interior still shines. I love him. I mean, Im pretty sure I do, having never been in love before. Anyway, it seems legit. And now his brother Blake is here, and, well, hes the complete opposite of Graham. Sarcastic, brooding, and totally available. But hes leaving soon, and Grahams the one I want. I shouldnt have to remind myself of this, right? I wouldnt have to if Blake would quit looking at me like Im something yummy and hes starving. Heres a toast to roomies; the ones you should never fall in love with. Or something.
