

Even Rhythm (Offbeat) (Volume 2)

Sometimes all that you can do is move on...

Even when you're not ready. Even when you're forced into it. After being thousands of miles apart, neither one can deny the love that is still in their hearts. But sometimes, people don't see what's right in front of them, and refuse to fight for what they want, even when it's worth fighting for. When life-altering circumstances finally thrust them back together and the truth comes barreling forth, they are forced to confront the truth--a truth so shattering that it might just be the beginning of the end all over again. Love can get rocky and uncertain--downright hard at times. It's a hard lesson to learn, but a lesson we all have to learn in the end. Can these two lost and grief-stricken souls find a way to smooth out the jagged edges and reach an easy, even rhythm?
