

A Cowboy For Christmas

When her estranged brother passes, Missy is suddenly an unwanted co-owner to Ocean View Stables by Florence, Oregon. Missy wants to start over somewhere new after her old boss burned her. She's jobless and has a wrongly ruined reputation, so this works out perfectly ... until she meets the cowboy running the place. Brent built his dream with determination and his two hands; he's responsible for everything that happens there. Secretly, he feels responsible that his former partner died. He also doesn't hide his belief that Missy won't stick around. Women tend to take off on him so why would she be any different? They both have a past that can ruin their future. Can he trust her to stay? Can she trust him with her heart? From Coffee Time Romance and More: A Great Romance for the Holidays and Anytime You Like! Due to the death of a brother she barely knew, Missy has just become co-owner of a horse ranch in Oregon. This is great timing for her as her old boss and job are now dust. However, things may just be a bit more than she bargained for. Brent is put off by Missy being there. He does not want anyone coming in and taking his dreams away. Dreams he has worked hard on and wants to keep on enjoying. He truly believes that Missy will not stick around for very long. Missy is thrown into a situation she is very unsure of, has many trust issues behind her, and did not know her now dead brother very well. She is unsure what to do, but with the help of one handsome cowboy showing her the ropes, she just might be able to make a life here. A Cowboy for Christmas is a great romance for the holidays or anytime you like. Real flaws are found in Brent and Missy which result in the great journey this couple takes on. Humor and strength are also found in the pages of this book. A bit fun and flirty read that will not disappoint. Matilda Reviewer for Coffee Time Romance & More
