

Gabriella (Alpha Marked) (Volume 2)

Thirty and single? Getcha ass to the Gathering! Ugh. Gabriella Wickham thought turning thirty was bad enough, but now shes been invited (ordered) to attend this years Gathering (werewolf speed dating). Having a Mark on her arm means that shes one of the few human women destined to mate with not one, but two Alpha werewolves. Thank goodness werewolves dont come in ugly. After her sister Scarlet mates the Ruling Alphas, things really start to get interesting. Gabby runs into not one, but two hotter than hot werewolves who make her tingle in all the right places. Yum. Of course, yum comes with baggage of both the mental and female kind. Lovely. Luckily its nothing a few punches and a good talking to cant cure. Maybe-ish. Berke Davis and Jack Wright know that lush, curvaceous Gabriella is their mate. Who cares that theyre currently not part of an Alpha pair? Details, details. Burke has been half bound to his best friend Jack since they were four, but the past keeps them from solidifying their pairing and taking up the mantle of Alpha. Berke understands his friends feelings, but Jack is about to get a lesson on living and loving. Berke just hopes the lessons are learned before they both lose Gabriella. Especially when she is Challenged by a rival to first blood a Challenge that could end in very permanent, and deadly, consequences for Gabriella.
