

Serve and Protect (Heroes of Evers Texas) (Volume 3)

Ashley Walker was one of the lucky ones. Adopted when she was fourteen years old by a family willing to love her as their own, they stuck beside her through all the hell she put them through. A kind of hell that would haunt her forever. But now she's put her past behind her so she thought. Garret Hensley never imagined he'd be chasing the killer of the woman who set him on the path of law enforcement. She'd given him reason to believe in himself, to believe he could make a difference. And he suspected her giving heart was the reason her life had been cut so short. When the evidence leads him to Ashley Walker, he knows he has to ignore the feelings she stirs in him, because getting her to reveal the truth of her past is the key to finding a killer.
