

Caught & Punished

Love derailed by games that go too far
When Paul started punishing his wife Lizzie and commanding her to obey his requests, their love life shot through the stratosphere. She loved the tone of voice he used on her and the naughty, wicked things he made her do, and his strict discipline even helped her with her writing career. She'd never been happier. But then their secret was discovered by his arrogant boss. This is the complete story of Paul and Lizzie in one volume. It's a short read at 10,000 words just right for a sexy bedtime (or anytime!) read. This book is not for children due to mature themes and language. If you are offended by erotic descriptions of spanking, voyeurism, exhibitionism and sex between consenting married adults, this love story is not for you.
