

Blood of the Falls (Twelve Oaks Farm Book 4)

Lacy Reynolds thought Bret Robertson was out of her life for good. But then her safety is in jeopardy when he makes a deal with the District Attorney and is released from prison after divulging the burial site of three young women murdered by Chad Grey. Lacy's boyfriend, FBI Agent Dylan Bauer, vows to protect her from the serial rapist. But when Bret stalks her, she realizes no one can protect her from the depraved sex-offender. Dylan fights against time to find the evidence he needs to send Bret back to prison before he destroys Lacy with his obsession to control her. Blood of the Falls is full of suspense and danger, and best of all an inspiring romance.
