In the small Cornish village of Tregorran, Demelza struggles to keep the family house intact and care for her young brothers and sister after the deaths of her parents. Knowing that she is losing the battle, she agrees to take in a paying guest: handsome Lucas Fairfield. But the growing attraction between the two seems doomed from the start. With Lucas obliged to return to his ancestral manor in Hampshire, and Demelza devoted to caring for her siblings and own familial home in Tregorran, can they ever find happiness together?
