

Book Two in this Bestselling Paranormal Romance Series Welcome back to Ravenwood, a haunted seaside town, where magical creatures roam the forest and even live next door... Teenage witch-in-training, Shiloh Trudell, lives in a world where sinister paranormals secretly run amok after sundown. And she hates that she's been chosen to defend Ravenwood against supernatural threats, because even though being a demon hunter might be her sacred duty, to Shiloh, it feels more like a sucky curse. What's even more dangerous than her new profession is the oh-so-sexy hottie that just moved to town whose emerald-green eyes and crooked smile causes her heart to skip a beat. Shiloh can't seem to ignore her inexplicable attraction to the drool-worthy Trent Donovan, even when she's got bigger problems to deal with... like discovering who put a supernatural hit list on the other teenagers in town. With the body count rising and her own life in danger, Shiloh must find a way to stop a powerful demon intent on sucking out human souls before any more of her classmates turn up dead. But will Shiloh be able to fight the forces of darkness on her own? Or will she become the next victim? >>> Scroll up and click the buy button now to find out...
