

The Secrets of Dargon (The Shrouded Kingdom Chronicles Book 2)

The fog of the High Gods choke Marsheas Kingdom, forcing her to yield to their demands. She is ordered to ensnare a man she once loved and return him to the Veiled Queen. There he will face a beast that threatens to destroy all the lands of his people. Saldor trains his men to fight the evil magic that enslaves the people of Dargon, the eastern kingdom. He prepares for war until the woman he was sworn to marry before the days of enslavement, returns from the dead. She convinces him to return to her lands to fight, but when magical beasts attack, he suspects his true love of treachery.
