

Skin (Hot Cops Book 2)

From the author of *Good Girl Gone Bad* comes the sizzling tale of an undercover cop who shows a little skin to get in with the mob -- and the sexy mafia princess who gets in the way.... Curvaceous and feisty, Francesca Donatello is the owner of *Skin*, an upscale women's magazine and her pride and joy. To boost sales, she's decided to feature a smoldering male centerfold in each issue -- even though it was once forbidden by her rigid father, a recently murdered mob boss. He always doubted her ability as a businesswoman, and now Francesca is even more determined to succeed. So when she meets sexy, charismatic model Reese Barrett, she knows he is perfect, and perfectly chiseled, for the job. From the moment Reese sheds his clothes for the photo shoot, business becomes pleasure, and both are overcome with unadulterated desire for each other. But what Francesca doesn't realize is that Reese is a cop who's using her to infiltrate the Donatello family and find out who murdered her father. Even she is a suspect. But it soon becomes apparent that someone wants Francesca as dead as her father. As they dodge bullets and bodies, Francesca and Reese shed secrets and inhibitions -- and learn that they must trust each other to survive.
