

Slaine (Complete Omnibus Edition) (Circle of Six)

Circle of Six: Slaine Complete Omnibus Edition Some spells are made to be broken.

Urban Fantasy Paranormal Romance
Laney Bristlings is destined for great things or so she's been told by the demon who killed her. So far that greatness includes an unclear future, the responsibility of four power-wielding half-sisters abandoned by a deadbeat father, and a manufacturing job in Kansas. Not exactly the life prophecies are made of. Danger threatens and she'll protect her family at all costs, but when a handsome stranger comes to steal her away who is going to save Laney? Slaine was originally published as a Six Part Serial. This is the complete omnibus edition.
