

Curves 911 (BBW Firefighter Romance)

Curvy Nina is going through a hard time in life. She's just lost her job, has very few friends, and no one to look after her. It doesn't help when she wakes up and her apartment is covered in flames. Firefighter Paul not only rescues Nina from a fire that nearly takes her life, but when he finds out that Nina is living in her car after losing everything she owns, he offers her a place to stay. But Nina's curves might be way too hot for Paul to handle. The fiery desire for each other is too much for them to extinguish, even if it means letting themselves go in public!
