This book is part of the Interspace Origins science fiction romance series: Book 1: Faring Soul Book 2: Varkan Rise Book 3: Cat and Company ____ Praise for the Interspace Origins series: I know Tracy is a great writer but I was not much into science fiction. Well, now I am!! I loved Catherine Shahrazad, who is a strong, in charge female. Im amazed by the creativity of not only the characters but the detail of sights, sound and interaction. If you have read any of Tracys other books you know what awaits you....sheer reading pleasure. This is truly science fiction at its best.
