

Stargazers Woman (Brotherhood of Warriors)

Highly regarded for his mystic prowess, Max Natoni took an oath to find lost people. For only he held the Navajo tribes deepest senses and the strength to awe those who beheld the man in the flesh. Yet even his heightened awareness couldnt help him when it came to Kris Reynolds, who had her own sacred crusade to uphold. Kris had no need for secrets, yet the noble Navajo warrior was hers alone to unravel. He had the ability to guide her, but not without pushing Kriss desire to uncharted territory. Bound by honor, together they tracked a killer with the same ardor that they stalked each other. While Kris yearned for justice, Max sought to restore harmony to his nation only to expose the passions of a woman who was more than his match.
