He only has one mode, and Beast is it. He ripped through Tilly's life, tearing it to shreds, and then he was gone, giving a stiff middle finger to a life of entitlement. He left her like he leaves them all with little more than a broken heart. But for Tilly, there was one more thing. He left her with an unbearable secret she's been forced to keep for years. Tilly's privileged life, after her recent graduation from Mt. Holyoke, has come to a screeching halt under tragic circumstances. Had she really believed she'd never see her Devil Dog stepbrother again? Now he's coming home and she's forced to face his cocky smirk and arrogant swagger, to look once again into the eyes of the monster who left her. Forced to confront him, what she sees is a raw, broken, tortured man who just might be the only person she knows keeping even bigger secrets than she is. Worse, she still wants him.
