

FUR-ocious Lust SHORT #2 A BBW and her Bear get rowdy! ***This is a STANDALONE. This short ends in a happily ever after with no cliffhanger*** Karina Roma is a dare-devil curvy woman who fell hard for a sexy, rich bear shifter. Too bad the relationship was one-sided. The only thing she has going in her life is her job and her friends. When her boss signs her and her friends up for a bachelorette auction, this curvy girl is ready to quit, but her friends talk some sense into her. How hard can it be to get on stage and strut her stuff for charity? Ash Sinclair messed up big time. He lost Kari, the only woman he loved, to his job. But he's tired of sitting around without her and has a plan. One that means abducting the only mate he and his bear want. Hopefully, the plan doesn't backfire on him and he doesn't find himself in a bigger hole. A night for charity turns into the rehash of their past and possibly a new chapter for their futures. If he can get her to forgive him. Kari wants action before words. Ash needs to show her she's no longer second best to his job. This bear has some tricks up his sleeve...but will his mate give him a chance to prove his love? Reader Note: This story contains some scorching hot sex. If you have problems with low down dirty hanky-panky, you might want to skip this one. However, if you like a bear who can't get enough of his curvy woman and some cheeky humor, this is the story for you. Enjoy.
