3 Bestseller books combined & over 2000 Five Star reviews! A complex, twisted, dark, mind-bending, and sexy romantic thriller! Blog Review ~ ilookfamous ~ If you loved Consequences by Aleatha Romig, Captive in the Dark by CJ Roberts, or Rock Chick by Kirsten Ashley you're going to be captivated by Blyss. Yep, it's that good! Two sexy, ruthless men...one innocent female caught in the middle. Blyss is something the world has been trying to create since the beginning of time, the ultimate aphrodisiac, a drug used against women with one single purpose in mind.... Julianna Oakley has just finished up her junior year at college and flies home to spend her last free summer with her father on their prestigious Georgia estate. Julianna isn't the stereotypical rich girl, a spoiled prima-donna. She's down to earth and has an independent streak a mile wide, insisting she makes her own way in this world. Nick has been setting the stage for a long time, and sparks fly when their separate worlds collide. She is Nick's ultimate obsession, and he will stop at nothing to own her. When Travis, Nick's right hand man, lays his eyes on the prize, all hell breaks loose. He should know Nick is playing for keeps, and while Julianna is fighting for her freedom, a lifetime full of secrets and twisted perceptions slowly unravel as Julianna gets caught in the fray. This is the strongest writing, most compelling, intriguing book I have read in ages. ~Hooked On Books Forever
