

## Saving Persephone (The Haberdashers Series Book 4)

In 1805 Robert Bittlesworth's little sister and her two best friends decided to create a boys club because boys have more fun. Most protective older brothers would have discouraged such a thing. But Robert saw opportunity and began training them. Robert Bittlesworth has worked tirelessly in the Home Office for years, managing intelligence in the war against Napoleon and the Congress of Vienna. He also executed a plan to have his father exiled. Now that plan backfires when one of his father's cronies kidnaps the Haberdashers and the first woman he has ever truly cared about. Imogen Grant of Boston has traveled the world with her mother's shipping company. She considers herself an exceptional judge of character, but she has never met anyone like Robert Bittlesworth. He is either the very best or the very worst man of her acquaintance. Can she decide which before she loses her heart?
