

Thrust: Bad Boy Racing Romance (Fastlane Series)

*** THRUST IS A STANDALONE NOVEL, NO CLIFFHANGER! *** From the instant I met mysterious, hard-bodied Formula One driver Marco Rhys, he took charge - leading me on a red-lined, wild ride into his world. But I vowed to never give a man control of my life. Ever. It was my unbreakable rule, a principle I promised to never compromise - no matter what. So despite his rock hard abs, devilish good looks and charm to match, I felt sure I'd rise to the challenge. After all, I'd handled my fair share of billionaire playboys in my short career and never failed to deliver. I had too much at stake, and too much to lose if I failed. If I couldn't sign Marco to the investment firm I worked for, I could wave my dreams goodbye. Everyone who said I would never amount to anything would be right. But I didn't count on the unstoppable force of Marco Rhys. Everything depended on our battle of wills. One of us would have to conquer the other in the boardroom or the bedroom. Which one of us would surrender first? Why did I feel like it might be me? The Fastlane Series books are stand alone romance novels featuring unique lovers and happy endings. No cliffhangers! Thrust is Marco and Danis story in the Fastlane Series.
