

Surrendered: She Who Dares Book three

I have spent my entire life fighting. Fighting for survival. Fighting my past. Fighting to keep anyone from getting too close. Until him. Theodore Ellis. Hes my light in the darkness. The only person who makes me truly feel. My most unlikely of saviours. No matter how hard I try, I cant seem to fight him. No matter how many blows I rain down on him, he remains loyal and unmoving. I love him. I need him. Theo is my vulnerability, the chink in my armour, but he is also my strength. I cant fight him anymore. The past only holds as much power as you allow it to. Its time to tell my story. Its time to bare my soul, and let Theo into my dark world. Its time to take back my power. Love is a war. She who dares wins . Im ready to risk it all. Im ready to surrender.
