

Taken by You (Zander Oaks Book 1)

Book One in the Zander Oaks Series Lexi Raines doesn't need any distractions. She's worked hard to gain all she has achieved. No man has tempted her at least until the man she saw as her friend and business partner makes her want more. Those sexy gray eyes make her long for all sorts of things that she can't have. Jonas Coulter knows he can't let anyone get close. Lexi is a friend who he can't possibly want more from. Can he? How is a man to resist a woman who makes him have fantasies of stripping her bare and having her every way imaginable? A woman who he wants to mark as his own so no one else can have her? When friends learn that sometimes desire doesn't care about friendships or partnerships and passion can't be controlled, who will be the first to succumb to being taken?
