

Isis Rowan is the fiery middle sister of the prophesized witch triplets, and when she finds out that the High Priestess Cele has not only attempted to kill her sister, but is also practicing dark magic and committing atrocious acts to gain power, she is ready to chop off some heads. To make matters worse, Cele has also targeted the gorgeous and sexy human-sex demon hybrid Braeden, who also happens to be her Fated Mate. Isis is ready to kick some ass, until she realizes that Braeden is not all that he seems. Once she uncovers the truth, it's all-out war, and while she has no problem giving her destructive temper free reign, she must channel her anger to thwart Cele, and save those she loves. Goddess help the evil High Priestess when Isis finally gets ahold of her. Braeden Hall, a cambion who needs sex to survive, finds himself in an impossible situation when his son is kidnapped by an insane High Priestess and held captive. To free him, Braeden thinks he's given a simple task of collecting information on a sexy female until the witch he is to manipulate ends up being the one female meant for him, his Fated Mate. He is ultimately forced to choose between loving Isis and protecting his son. He wants nothing more than to claim Isis for eternity, but that means his son will die. The precarious balance all cambions live with is threatened, and he fears becoming a full-blown sex demon who will rape and pillage without thought. Will he be able to overcome Isis' infamous temper and convince her to not only become his ally, but ultimately, his mate?
