

Angels Halo: Guardian Angel (Angels Halo MC Book 3)

Things in Creswell Springs have been quiet lately. Or so it appears. Appearances can be deceiving. The night I met Gracie Morgan was the night that my life changed forever. I saved her that night, but it feels like shes been the one saving me ever since. --Hawk Hawk didnt just save me that night. He took me home with him and his family made me one of their own. I felt safe with them and quickly began to fall for the man that was my Guardian Angel. --Gracie The events of that night have not faded from anyones memory. The Angels Halo MC delivered their own vengeance against the guys that had hurt Gracie, and the ones that just stood by and did nothing. But they didnt realize they were dealing with a sociopath like Kevin Samson. Now no one was safe
