

## Adieu to Destiny: The Adventures of Anabel Axelrod (Volume 4)

In Adieu to Destiny, Volume IV in the steamy hot and fantastically funny series of The Adventures of Anabel Axelrod, nothing is what it seems. From fabulous girlfriend to freaking out fiancée, Anabel's white lace fantasies have never been about weddings. When she and Luke decide to wait on their engagement, Anabel lets out a secret sigh of relief. Surrounded with crazed brides and nonstop wedding activities by day and having nightmares of those predestined four babies at night, Anabel's relief soon turns into panic at the thought of marriage--even to her Dream Man. With a jealous murderess on the loose, nonstop family togetherness, big trouble brewing at Luke's company, and horrifying black circles developing under her eyes, Anabel's life is spiraling out of control. But matters are abruptly taken out of Anabel's hands when Luke breaks up with her. Stunned by Luke's decision, it's the poinsettia gel icing on her 29th 4EVER no-surprise birthday cake when Anabel is coerced by Police Chief Jack to still work with Luke to help trap a devious killer. Soon Anabel discovers the lengths she is willing to go in lust, love, and loyalty, even as she uncovers the dark depths others will sink. This book was written for the entertainment of adults.
