

Echoes of the Grave (Sisterhood of Fear Book 2)

A year after the terrifying events on St. Aggies campus, Taylor has returned to her small Minnesota hometown to recover from her injuries of body and soul. Ronny, the EMT who rescued her from certain death, provides light on her darkest days. But as their relationship grows closer, Taylor is haunted by nightmares that are too wild to be real, yet too real to dismiss. Unsettling events prove that Ronny and Taylor's interracial romance is the least of her problems. Can Taylor protect herself from unseen dangers, or will the echoes of the grave reach out to claim her once more? This sexy, romantic thriller will leave your skin tingling and your heart pounding.
