

**YOUR WEB SITE IS COSTING YOU MONEY. ITS ALSO FILLED WITH SIMPLE MISTAKES THAT TURN OFF VISITORS BEFORE THEY HAVE A CHANCE TO BECOME CUSTOMERS.** According to marketing guru Seth Godin, a web site visitor is a lot like a monkey looking for one thing: a banana. If that banana isnt easy to see and easy to get, your visitor is gone with a quick click on the Back button. In this supremely practical, cut-to-the-chase book, Godin identifies what it takes to create web sites that satisfy visitors and keep them coming back for more. And hes at his prickly stickler best using real-life examples to illustrate the essential truths and ridiculous fictions about how a web site should work. Packed with his inimitable wisdom and compelling hands-on applications, The Big Red Fez is a must-have tool for anyone working on the web.
