

Lust For Him: Alpha Billionaire Romance (Loving The Billionaire Book 1)

Who wouldve thought that a new job could be so rewarding? Blair is anything but happy with her current situation at work. The man shes working for can no longer control his feelings for her, so she decides to quit. It wouldnt work out between the both of them anyway, hes just not her type.

Billionaire James is looking for a new secretary and eventually comes in contact with Blair. Shes given the opportunity to prove herself worthy of the position, with a chance of being hired if James is satisfied. Their first meeting immediately sets off a chain of emotions for the both of them. Blair has no choice but to agree when he suggests to go on a business trip together. Its the perfect opportunity for him to get to know her better. Will they both give in to their feelings, even though they work together? Each book of this series can be read as a standalone story.
